As an Architectural Consultant to The Maryland Jockey Club, A Form Architecture pc designed the interior track of Pimlico Race Course and surroundings areas, to contain the Sponsor Village, Preakness Celebration Area, Hospitality Tents and Additional Bleacher Seating.

The sponsor area has been growing over the years without the benefit of architectural planning or design, this season the MJC decided it was time to formalize a master plan design while expanding the sponsor program.

Our architectural services consisted of providing site measurements, coordination of program requirements, coordination to available rental equipment, coordination to vender equipment, provided design revisions to accommodate program and equipment changes, provided material quantities, cadd documents and layout services.

Project: The 130th running of the Peakness Stakes
Location: Pimlico Race Course, Baltimore Maryland
Client: The Maryland Jockey Club
Details: All rental equipment
Consultants: Signature Special Events, HDO Productions, B&K Seating
